

Job Title : **Psychologist**

Services : Corporate

Department : Psychological Services Unit

Reports To : Head, Allied Professional Support

Purpose

To provide psychological assessments and interventions to students and clients; consult with teachers and coaches, families, and other Allied Health Professionals (i.e., therapists, social workers) to improve support strategies; work with school administrators to enhance centre-wide practices and policies; and collaborate with community providers to coordinate needed services.

Job Description

- Conducting psychological assessments (i.e. intellectual, behavioural, emotional) for students and clients to support educational/vocational placement decisions
- Designing appropriate therapy plans and providing psychological interventions to help address students' and clients' academic, social and/or emotional difficulties
- Conducting intake assessments for placement of new students and clients in the Centre, working in collaboration with a multi-disciplinary team
- Engaging in collaborative problem-solving with teachers/coaches, parents/caregivers and other stakeholders, to facilitate the development of socio-emotional/behavioural/academic functioning of students and clients
- Participating in program-planning meetings and case reviews for individual students/clients
- Providing advice on how to adapt the curriculum/programme and make accommodations to cater to a student's/client's learning style, cognitive profile, developmental level or behavioural patterns
- Supporting student and client transition to and from school and Day Activity Centre
- Collaborating and coordinating with external agencies to provide a holistic and comprehensive service to the student/client
- Providing training to teachers, coaches, parents and caregivers

Job Specifications

- Masters in Psychology (Educational/ Clinical)
- Relevant working experience with children/adult clients with autism will be an advantage
- Experience in administering psycho-educational assessment tools
- Experience in providing intervention for social skills development
- Experience in supporting parents to promote skill development of the student/client at home
- Excellent communication skills
- Strong ability to work in multi-disciplinary teams

Remuneration and point of entry will commensurate with qualifications and experience. Interested applicants, please send your resume and relevant supporting documents to: careers@saac.org.sg.

All applications will be handled with strict confidence. We regret that only short-listed candidates will be notified.
