

St. Andrew's Autism Centre (SAAC) is a non-profit organisation for the education, training, and care of persons with autism and their families.

SAAC comprises St. Andrew's Autism School (SAAS) and St. Andrew's Adult Autism Services (SAAAS), serving children, youths and adults with autism. SAAAS runs two Day Activity Centres (DACs) at Siglap and Sengkang, and St. Andrew's Adult Home (Sengkang), Singapore's first residential facility designed and built to meet the needs of adults of autism.

SAAC seeks to enable people with autism to lead dignified and meaningful lives. We invite interested and qualified persons to join us to meet the physical, social, emotional and spiritual needs of our students, clients and residents; to provide behavioural support, life skills training, family support and public education.
